# TECHNICAL COATING & FURNISHING ACCESSORIES

---

Discover a **unique collection** that is the result of the work done by the **creative team** at **Crearreda** and merge as a statement beyond **trends**.

Appealing to the most discerning tastes, we created pieces that do more than enhance decor: they transform it into a **work of art**. We offer **innovative, easy to use** and **eco-friendly products** blending **design and functionality**, classical inspiration with new bright colors, textures and shapes with materials and technological methods.

A **unique assortment of products** with original functions such as **vinyl rugs, backsplashes, headboards** and **much more**. These kinds of accents give interiors an appealing and unique touch and can turn **your home** into something **extraordinary contemporary**.

A lot of people have been wondering how they could decorate their own home for the coming year. We at Crearreda suggest to focus on **functionality** and **versatility** not forgetting **innovation in structures** and **materials for home decor**.

## Technical characteristics

Certification Nontoxic Greenguard®  
Our prints are certified by the Greenguard Gold brand as ideal for "sensitive" ambient such as schools, hotels, hospitals and public establishments. The inks used don't emit dangerous chemicals and respect the regulations of toys regard the safety of children. (European Toy Standard EN71 part 3).

# METAL PANELS & METAL BORDERS

## Aluminium Decorative Panels

Not only self-adhesive panels!

Metal Panel are made of a very strong durable, dirt-proof and fire-proof composite aluminium (thickness 3 mm).

They can be easily applied in a few simple steps behind any type of hob (induction, glass ceramic, electric, gas) and cleaned with non-abrasive detergents.

12 different patterns to decorate and protect the kitchen back splashes in a lasting way. You can affix the Panel individually or place side by side with other Metal Panel of the same pattern.

### Technical characteristics

# BACKSPLASHES, KITCHEN PANELS & DECO BORDERS

Self-Adhesive. Bubble Free

Specially designed for the kitchen: Kitchen Panels, Backsplashes & Deco Borders represent an innovative solution to protect and decorate any hob back wall. Printed on an innovative type of PET which confers a series of unique features as fireproof capability (M1 and B1 certified). Thanks to the special microstructure of the adhesive coating, the result is completely wrinkle and bubble free. This ensures a carefree application and makes repositioning easy. We offer a water, moisture and heat resistant premium product: a modern technology linked with ease of use and design.

# DECOR TILES & TILE COVERS

Self-Adhesive. Bubble Free

Decor Tiles & Tile Covers are the perfect choice for a quick, easy and low cost decor solution for renovating any bathroom or kitchen with no cementing and no grouting. Thanks to the special microstructure of the adhesive coating, the result is completely wrinkle and bubble free.

This ensures a carefree application and makes repositioning easy.

We offer a premium product for kitchen and bathroom but they also go on every other smooth and clean surface. Decor Tiles & Tile Covers go also over your existing tiles and make them look brand new.

They are fire proof (M1 and B1 certified), washable, water resistant and heat resistant. Use Decor Tiles & Tile Covers to create an eye-catching kitchen splashback, or to give a personal touch to your existing tiles. There's no limit to your creativity.

# FLOOR TILES

## Self-Adhesive, Bubble Free

---

The Floor Tiles are an original, young and creative idea to give a new look to the floors of the whole house. You will be able to cover them easily and quickly, without doing expensive masonry work. It takes just a few minutes to give a “second skin” to the ruined and aged floor or parquet, and to transform the environment.

Floor Tiles are adhesive floor coverings made of PVC with a thin anti-slip lamination and a matt finish. Designed for long life, the Floor Tiles - washable and scratch-resistant - are easy to install in just a few minutes, even for the less experienced.

Removal will never be a problem: you can detach the floor stickers without leaving glue residue and without damaging the floor.

## Technical characteristics

# SOFT TILES

## Self-Adhesive

A new modular and functional concept to decorate and protect your walls from impacts! The self-adhesive bumper sets, realized in soft foam, are offered in modular square tiles that can be arranged vertically and horizontally; they are easy to trim to size with a pair of scissors or a cutter.

The thickness is 2 mm: perfect for absorbing blows and not being invasive.

The Soft Tiles bumpers are easy to clean (with a non-aggressive detergent), are water-resistant, heat-insulating and are easily removable even after a long time.

# LAYOUT SERVICE

The importance given to the quality of our displays in showrooms, retails and shops is one of the keys of our success.

We have tailored the product format in order to optimize the use of the spaces allotted to us, striving to provide compact, practical and functional display structures.

With twenty years' experience in this field we can create custom layouts in short timelines with utmost efficiency and accuracy.

The Crearreda product line is perfected by our in-store service that has proven to be the best way to ensure both full product rotation and optimal connections between shop owners and our sales team.
