

WALL & LIVING 2025

New

WALL & LIVING

Crearreda is well known as **synonymous** of **simplicity**, **affordability** and **innovation** in the world of decoration.

From the largest to the smallest size, our decorations follow up the same philosophy: **they can be easily applied to give personality** to any space **in a few minutes**.

The best value for money is unique in its field. **Crearreda was the inventor of the first stickers** and to this day we **still have the largest choice of decorations for type, size, material, number of subjects** on the market. The **constant innovation** through research and development of our catalogue becomes a reference **for all professionals** in this field.

Technical characteristics

3D ART

Plexi

A new and original method to decorate the walls of your home or office. 3D Art combines a modern and refined design with a singular 3D effect due to the printing of the subjects two distinct levels. The print on plexiglass interacts with the background printed on paper, creating depth and giving the observer a sensation of movement, different from every point in which look at the picture.

Search our FSC®
certified products

The **Wood Art** are a great way to stylishly decorate an empty wall and add a touch of whimsy to any room. The **Wood Art** are made in different styles and designs (minimal, artistic, geometric, tropical and photographic) in different formats and with subjects that can be combined with each other: ideal for feeling free to customize your walls as you like.

Elegant and eye-catching, the **Wood Art** are made of quality, lightweight and durable 0.6 cm MDF thick.

Purchasable individually or in triptych these decorations are made entirely in Italy with non-toxic inks.

EASY TO HANG - The **Wood Art** comes with easy to fit self adhesive hangers on the back and packed in a smart cardboard box.

FOAM STICKERS

3d Decorations

A perfect union between the elegance of the subject and the modernity of the thickened material. 3D foam decorations can be applied as an usual sticker, but they add the plus of 4 mm. thickness. Our 3D Foam decorations are soft, safe, non-toxic, easy to apply and remove, without leaving traces of glue.

Technical characteristics

CREATIVE

Embossed Stickers

Creative is a special collection designed to give a personal touch to kitchens and bathrooms. The stickers can be easily applied on tiles and ceramic objects, such as cup, pots and sink, vases, glasses and other accessories.

The Creative stickers are made of a special self-adhesive material, water and moisture resistant, wipeable with a regular detergent cleaner, easy to apply and remove without leaving traces of glue. These peculiar stickers distinguish themselves from ordinary decals due to their three-dimensional shapes, given by a special resin and for their resistance to soap and hot water wash.

WINDOW STICKERS

Static Cling

Our window and glasses decorations are visible on both sides and are washable and light-resistant.

Thanks to the window stickers, it is easy to jazz up windows, mirrors or even fridges or cars. They can also be used to add privacy or to highlight glazed areas for added safety. You will be able to apply the nice Window Decals to give a touch of color to the glass.

You can remove them at any time and reapply them as many times as you want without leaving marks or dirty!

KIDS - 3D ART

Plexi

New

A new and original method to decorate the walls of your home or office. 3D Art combines a modern and refined design with a singular 3D effect due to the printing of the subjects two distinct levels. The print on plexiglass interacts with the background printed on paper, creating depth and giving the observer a sensation of movement, different from every point in which look at the picture.
