# FLOOR TILES

*Self-Adhesive, Bubble Free*

*New*

The **Floor Tiles** are an **original, young** and **creative idea** to give a **new look** to the **floors of the whole house**. You will be able to cover them **easily** and **quickly**, without doing expensive masonry work. It takes just a **few minutes** to give a “**second skin**” to the **ruined** and **aged floor** or **parquet**, and to transform the **environment**.

**Floor Tiles** are adhesive **floor coverings** made of PVC with a thin **anti-slip lamination** and a **matt finish**. Designed for **long life**, the **Floor Tiles** - **washable** and **scratch-resistant** - are **easy to install** in just a **few minutes**, even for the less experienced.

**Removal will never be a problem:** you can detach the floor stickers without leaving glue residue and without damaging the floor.
