ASCIUGHINO

Aqua Grip Mats

New

Asciughino is a revolutionary multipurpose absorbent mat designed to quickly and efficiently soak up water, keeping your home clean and dry. The **Asciughino** features a unique, multi-layered construction that quickly absorbs water and locks it away. The top layer is made from a soft, absorbent material that draws water away from your feet, while the bottom layer is made from a durable rubber that prevents the mat from slipping.

Key Features:

- Instant Absorption: Our mat can absorb water in just one second, preventing puddles and keeping your floors dry.
- Non-Slip Backing: The sturdy rubber backing ensures the mat stays firmly in place, preventing slips and falls.
- Versatile Use: Perfect for bathrooms, kitchens, and more. Use it as a bath mat, dish drying mat, pet mat, or even a plant coaster.
- Durable and Long-lasting: Made with high-quality, stain-resistant materials that can withstand daily use.
- Easy to Clean: Simply rinse with water and let air dry.

Why Choose Asciughino?

- Superior Absorbency: Our unique design allows for maximum water absorption, keeping your floors dry and hygienic.
- Pet-Friendly: The smooth surface is easy to clean and prevents hair from getting trapped.
- Comfortable: The soft, cushioned surface provides a comfortable feel underfoot.
- Stylish: Available in a variety of colors and styles to complement any decor.

Benefits:

- Safety: Reduces the risk of slips and falls, especially for children and the elderly.
- Convenience: Easy to use and maintain.
- Protection: Protects your floors from water damage.
- Aesthetics: Adds a touch of style to any room.

EASY WALL

Polypropylene Panels

New

Easy Wall: The Stylish and Functional Wall Protection

Crearreda Easy Wall polypropylene (PP) coverings are the ideal solution for those who want to protect their kitchen walls from humidity, heat, grease stains, and impacts, without sacrificing style. Specifically designed for the most exposed areas of the kitchen, such as the area behind the hob and sink, Easy Walls create a resistant and long-lasting protective barrier. Thanks to their unique features, such as water resistance and heat resistance, they keep walls clean and looking new for a long time, significantly simplifying cleaning and sanitization operations.

Design and practicality meet

In addition to providing effective protection, Easy Walls are distinguished by their modern and versatile design. Available in various finishes and colors, they adapt to any furnishing style, giving your kitchen a touch of elegance and originality.

Easy to install and clean

Easy Walls are extremely easy to install either with glue or strong double-sided adhesive, thanks to their modular format and the possibility of being cut to size. Moreover, their maintenance is very simple: just a damp cloth and a non-abrasive detergent are enough to remove any stains or streaks.

Key features of Easy Walls:

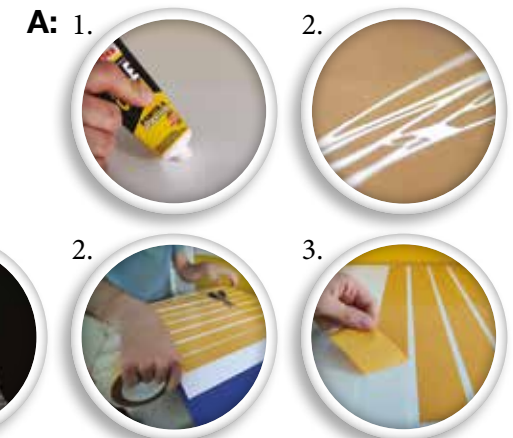

- High-quality materials: resistant and durable polypropylene (PP)
- Waterproof and heat resistant
- Easy to install and clean
- Modern and versatile design
- Modular and customizable
- Fire retardant (M1 - B1)
